## TRUFFLE EXPERIENCE AT BISTRO

Visiting Piedmont in the autumn is a truly unique experience.

Some choose to simply visit the area to enjoy the delicious white truffle generously shaved on a plate of homemade plin, others seek the adventure of hunting the aromatic 'white gold' amongst the UNESCO hills.

Nordelaia collaborates with carefully selected and trusted local truffle hunters (and their faithful four-legged friends) to offer private experiences in the region.

You will learn about the different types of truffles, the history and stories about this rare and seasonal product.
