## **Day 1 – Arrival and discovery of Nordelaia:**

We have created a place to take time and enjoy what is important in life.

Friends and loved ones.

Amazing views.

Time for yourself.

A perfect night's sleep.

Delicious food.

Being at one with nature.

We call it natural relaxation.

So, take your time and discover Nordelaia at your own pace during your first day.

And last, but not least, enjoy a traditional four-course menu in our Bistro, with optional truffle pairing available on the night\*

## **Day 2 – “Truffle Hunt and Alba Excursion”:**

You will be accompanied by Nordelaia to El Valet, a picturesque place surrounded by ancient trees and a natural lake.

After the briefing with the truffle hunter and his two faithful four-legged friends, you will begin this exciting experience.

For lunch we suggest a typical restaurant, Roberto Bazzano's Ristorantino 'n Cá'd Basan, where you can try traditional products and recipes.

In the afternoon you will visit Alba, the home of the exquisite white truffle. This experience will take you on a tour of the city and its underground passages, to discover a unique and beautiful medieval city.

Back at Nordelaia you will have free time to discover one of the local restaurants in the surrounding area. Ask us for advice and recommendations on where to go, or

book a table at one of Nordelaia's restaurants, if you wish to remain at the estate.

## **Day 3 – “Relaxation Day”:**

There are plenty of ways to relax when you are at Nordelaia - choose a ritual to enjoy at the Spa or simply enjoy the endless views from the heated outdoor pool. Or perhaps lounging around in a hammock amongst the linden trees with a good book is your idea of an idyllic afternoon. Even watching the sunset by our infinity pool or a walk amongst the UNESCO hills can be revitalising and nurturing for the soul.

We invite you to take an early morning walk across the UNESCO hills reaching the historic Cremolino castle or if you are looking for hiking and biking routes, we will be happy to recommend interesting itineraries and attractions close by.

Afterwards, enjoy a light lunch at our Bistro, with a menu based on the best seasonal ingredients and traditional recipes.

In the afternoon, be pampered by our masseuses with a 50-minute [Comfort Zone] massage.

What better way to end the day than with dinner at L'Orto, our relaxed Fine Dining restaurant? Our chefs will guide you through a true gourmet experience with a 5-course menu and optional truffle pairing.

## **Day 4 – Last Day:**

It is time to say farewell, or even better “See you next time!”

Nordelaia is a place created for optimal comfort and indulgence of our guests. For this reason, all the activities and experiences on offer can be modified and tailored to your wishes and rhythm. Just ask our Reception Team for any further information.
