## SAINT AMBROSE

Saint Ambrose is the patron saint of Milan but also the name of the holiday representing the official start of the Christmas season. At Nordelaia, we will be celebrating our neighbouring city's traditions and invite you to join us.

Relax in front of the crackling fire, learn a new festive recipe during a cooking class and enjoy a special dinner made of local ingredients, where our Chefs will be letting the flavours of Milan and Piedmont fuse together in creative and inspiring combinations.

### A C T I V I T Y:

As per tradition, we look forward to welcoming you on the evening of 7th December to switch on the Christmas tree lights and toast the start of the festive season with a special dinner designed for the occasion. We also invite you to take part in an exclusive cooking class and challenge yourself with the preparation of Pandolce with sultanas, walnuts and pine nuts, bread garland and brachetto jelly!
